

# FLEXIBLE PAYMENT PLANS

Vision West makes it easier for you to manage your cash flow, with the key to many convenient, flexible payment plans.

## Paper Checks

If you are paying by traditional paper check, Vision West must receive it by 2:00 pm PST on a business day, to be processed & credited to your account the same day.

## Credit Cards

Use your credit card to pay your statement in full, or make partial payments, at any time with your credit card. We accept Visa, Master Card, & AMEX. Please call us to make arrangements to pay by credit card.

## Automatic Payment

Your account can be paid automatically each month by ACH or Credit Card. Call for details.

## The Half & Half Plan

Pay half of your monthly balance on the 10th of the month; the remaining amount must be received by Vision West no later than the last business day of the month.

## The Weekly Plan

Set your own schedule to make weekly payments – just remember that your balance must be paid in full by the last business day of the month.

## Dated Billing Flexibility

We accept all vendor approved deferred payments. When your statement arrives, you can take advantage of a vendor's dated billing program by contacting Vision West to make arrangements.

## Online/ACH Payment

Make immediate payments or schedule future payments to your account at anytime online.
